

DOG LAKE SHIRAZ 2025

The label commemorates our beloved Dog, Luis, our Australian Cattle Dog that roams the vineyards chasing rabbits and kangaroos. Luis admires the stars, which are the four members of our family who, with enthusiasm and hard work, have made this creation: The Dog Lake Shiraz 2025.

This wine is a *genuine* expression of Langhorne Creek Shiraz. The grapes are sourced exclusively from our DOG LAKE FARM vineyard, in the heart of South Australia's Langhorne Creek Region.

Grapes are handpicked to achieve a natural complexity with a full expression of both the variety and the region. The fruit is then carefully fermented, with hand plunging. The resulting wine is aged in a mix of American oak and French oak barrels for 12 months to finish the wine with a fresh and vibrant full-bodied character.

DOG LAKE FARM SHIRAZ will surely delight your palate. In the glass, it shows elegant black fruit tones, with a well-balanced, smooth finish. It is a red wine to enjoy with steak, lamb, or with the meal of your choice.

Careful cellaring will provide further rewards.

Alcohol 14.5%

Harvest Volume 5.1 tons

Variety Shiraz 200%

Oak Treatment 12 months

Production 3,500 bottles
